Code Ann. § 10-7-501 et seq.), must establish a written public records policy properly adopted by the appropriate governing authority by July 1, 2017. The policy adopted shall not impose requirements on those requesting records that are more burdensome than state law and shall include:

- The process for requesting access to public records and any required form(s);
- The process for responding to requests, including redaction practices;
- A statement of any fees charged for copies of public records and the procedures for billing and payment; and
- The name or title and contact information of the individual or individuals designated as the Public Records Request Coordinator(s).

Pursuant to Tenn. Code Ann. § 8-4-604(a)(1)(4), the Office of Open Records Counsel ("OORC") is required to establish a model best practices and public records policy for use by a records custodian in compliance with Tenn. Code Ann. § 10-7-503. The following Model Public Records Policy serves as guidance for records custodians and their respective governmental entities in developing a public records policy and fulfilling their duties under the TPRA. The OORC encourages and will provide assistance for governmental associations and groups to develop model public records policies tailored to their specific governmental entity subgroup.

PUBLIC RECORDS POLICY FOR
THE TOWN OF ROSSVILLE, TENNESSEE
